Subject: New Bedford Harbor Hot Spot
DEP Concurrence Letter to
Explanation of Significant Differences

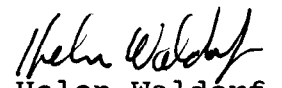

Dear Ms. Garman:

The DEP has reviewed the October 4, 1991 draft Explanation of Significant Differences (ESD) and sent comments on the ESD on October 15, 1991. Also, the DEP has reviewed the Final (90%) Design Analysis for the New Bedford Harbor Superfund Site Hot Spot Operable Unit.

The DEP concurs with the ESD for the New Bedford Hot Spot Record of Decision.

The DEP appreciates the opportunity to comment on the ESD. If you have any comments on this letter, please call Paul Craffey at (617) 292-5591.

Very truly yours,

Helen Waldorf,
Section Chief
